

Extraordinary God

INTRO: Em G D X2

Em **G** **A**
There was a time ago You walked this earth
Em **G** **A**
A humble man some knew, a king from birth
Em **G** **A**
The Son of God would come the prophets spoke
Em **G** **A**
Healer, and Savior, the call the cross...
Em **G** **A**
I'm but one of many found now here I stand

Chorus:

G **A** **D**
Extraordinary God, as an ordinary man
G **A** **D**
Extraordinary God in an ordinary world
G **A** **D**
Extraordinary God, for every hungry soul
G **A** **D**
Extraordinary God, who changed me

Em **G** **A**
Two thousand years ago would change this day
Em **G** **A**
You were condemned and yet, You'd show the way
Em **G** **A**
Immortal God You gave Your life for man
Em **G** **A**
Holy, and sinless One, You took my shame
Em **G** **A**
Though You died three days had passed, You rose again

End: G A D X2
